

North Esk Irrigation Scheme Contractor Expression of Interest (EoI) Registration Form

Suitably qualified and experienced contractors are invited to register their interest in one or both design and construct contracts on offer for the North Esk Irrigation Scheme.

Construction tender documents are scheduled for release in late May 2017. The works program is anticipated to run from October 2017 to December 2018 subject to funding approval.

To receive the documentation contractors are required to complete and submit an EoI and are required to hold, or be in the process of obtaining, accreditation under the Australian Government Building and Construction WHS (FSC) Accreditation Scheme (the Scheme) and provide evidence of compliance with the Code for Tendering and Performance of Building Work 2016 (the Building Code).

Key infrastructure for the Dam and Associated Works contract includes:

- 300,000m³ (approx) embankment

Key infrastructure for the Pipelines, Pumps and Associated Works contract includes:

- 1 x Pump Station situated on the North Esk River at Watery Plains, TasWater offtake;
- 1 x Pump Station situated at the proposed Dalness Dam at White Hills; and
- Approximately 58km of HDPE pipeline (diameter 160mm-710mm), fittings and connection points.

Contractor to complete:

Contract Selection: (Please circle applicable)	Dam & Associated Works	and/or	Pipelines, pumps & Associated Works
