

WATER ENTITLEMENT APPLICATION AND CONTRACT PACKAGE

Thank you for your interest in the North Esk Irrigation Scheme (NEIS).

This pack contains the contractual documents that may be entered into between you and Tasmanian Irrigation Pty Ltd ("TI") should you make an offer to purchase water in the scheme and should that offer be accepted by TI.

The documents enclosed include:

- Application Form for the Offer of Water Entitlements for the North Esk Irrigation District;
- Water Entitlements Purchase Contract; and
- Application for Additional Connection and/or a Connection Upgrade.

In order to make an offer to purchase water entitlements in the North Esk Irrigation Scheme please:

1. carefully read the Direct Sales Rules (particularly clause 3) as attached to the Application Form;
2. complete and sign the form headed "Application Form for the Offer of Water Entitlements for the North Esk Irrigation District";
3. sign the Water Entitlements Purchase Contract; and
4. if you wish to upgrade the size of the included connection or apply for additional connections to be installed on you property, please complete the respective form.

Once completed please return all documents to TI together with your deposit.

It is recommended that you consider obtaining independent legal, financial and technical advice before submitting an application.

Should you have any queries or concerns then please contact the NEIS Project Manager, Ian Smith on 0488 153 346.
