Table 1: Type and Customer's Contribution

Type (nominal diameter)	80 mm	100 mm	150 mm	200 mm	300 mm
Customer's Contribution	\$47,190	\$51,156	\$62,594	\$78,670	\$132,800

EFFECT OF APPLICATION

- 1 The Customer named and described in this application offers to purchase the Additional Connection/s or the Connection Upgrade specified in this application at the Customer’s Contribution specified in Table 1 for that connection type.
- 2 The Customer acknowledges and agrees that by signing this application the Customer agrees to become immediately legally bound by the terms of this application.
- 3 Should Tasmanian Irrigation accept this offer then the Customer agrees to pay Tasmanian Irrigation the Customer’s Contribution no later than the Completion Date determined under the Water Entitlements Purchase Contract;
- 4 Payment of the Customer’s Contribution will be a condition to Tasmanian Irrigation’s obligations under the Water Entitlements Purchase Contract to issue an Irrigation Right and Zoned Flow Delivery Right and enter into a Connection Agreement in relation to the Additional Connection/s and/or the Connection Upgrade.
- 5 The Customer agrees that It will remain liable to pay the Customer’s Contribution.
- 6 The Guarantors named and described in the application above (if any) request Tasmanian Irrigation to accept this application and acknowledge that if Tasmanian Irrigation accepts this application it will do so in consideration for the Guarantors giving the guarantee contained in the Customer’s WEPC on the basis that:
 - (a) the Connection Upgrade or the Additional Connection/s approved by Tasmanian Irrigation will become a Preliminary Connection Point/s for the purposes of the Customer’s Water Entitlements Purchase Contract; and
 - (b) payment of the Customer’s Contribution determined under this application by the Customer will become a condition to completion of the Customer’s Water Entitlements Purchase Contract.
